

## Scale A - Teaching Team Member

### Executive Summary

**Summary:** You will work collaboratively in a team of teachers to provide an exceptional learning programme that enhances the vision and culture of Waipāhīhī School.

### *Objectives*

In addition to the core elements of highly effective practice, as described in [Our Standards. Our Code.](#), we are looking for educators who can achieve these objectives:

1. Build learning power in children
2. Be highly collaborative
3. Communicate effectively with everybody.
4. Be trustworthy and ethical

### *Cultural Capacities*

We are searching for educators who have a cultural fit with Waipāhīhī School. We value the following key learning values as they define the culture we are building within our core principles and practices:
