

# Our Strategic Goals

<b>TO GROW</b>	<b>TO RESPOND</b>	<b>TO LEAD</b>
<i>Embedding our vision throughout our community</i>	<i>Learn, think and act with purpose</i>	<i>By walking the talk together</i>
<i>We believe that strong connections enable powerful learning. Living our vision and values throughout our community enhances engagement.</i>	<i>We all learn at a different pace and in different ways. We adjust the learning design to meet the uniqueness of individuals, as learning for everyone must always have a purpose. Challenge and struggle is part of the process.</i>	<i>We all see ourselves as learners with a growth mindset and aspire to be better today than we were yesterday.</i>
